

CAMPUS MINISTRY

The Campus Ministry Office encourages student involvement in the MDHS faith community through a variety of worship experiences, including class days of recollection, overnight retreats, school-wide liturgies and the Sacrament of Reconciliation. All students have the opportunity to share their gifts and to minister to others' needs by participating in service projects throughout the year. Senior students may enroll in Christian Service. In addition to classroom work, students volunteer one hour per week assisting in various community agencies. The Campus Ministry Office provides occasions for all members of the school community to deepen their understanding of and commitment to Jesus and His message.
